
Demographics

Q1.

Please create a unique identifier. This unique identifier will be used to link your survey responses but keep your personal information anonymous.

To create an identifier type in:

- Number of siblings (as numeric) +
- First two letters of the city you were born in (lowercase) +
- First three letters of your current street (lowercase).

E.g., (Sherlock Homes has **1** brother, was born in **P**orsmouth, and lives on **B**acker Street - **1pobac**)

Block 1

Q2.

Please copy+paste the following URL into a private/incognito web browser window:

<https://chendaniely.shinyapps.io/010-ds4biomed-exercises/#section-exercise-2>

When you are done with the exercise copy/paste your code solution in the text box below and click to the next page to complete the exercise.
